### Apache Netbeans (Eclipse, IntelliJ)

Link: <https://netbeans.apache.org/front/main/download/>

The screenshot shows the Apache NetBeans website. The browser tabs include 'eocalanet', '1590.202420 - Sal...', 'Iniciar reunión - Z...', 'MySQL = Downlo...', 'Java Downloads |', and 'Apache NetBeans'. The address bar shows 'netbeans.apache.org/front/main/download/'. The website header includes the Apache NetBeans logo, a search bar, and navigation links: 'Community', 'Participate', 'Blog', 'Get Help', 'Plugins', and 'Download'. The main content area features a blue banner for 'Latest release Apache NetBeans 22' with a green 'Download' button. Below this, the 'Apache NetBeans Releases' section states that the IDE is released four times a year and provides a link to the 'full release schedule'. The 'Apache NetBeans 22' section notes it is the latest version of the IDE, released on May 29, 2024, and includes a green 'Download' button. The 'Older releases' section mentions that older versions can still be downloaded but are no longer supported, with a blue 'Find out more' button. The 'Daily builds and building from source' section states that all source code is freely available and offers a blue 'Find out more' button. At the bottom, there are social media icons for Facebook, Twitter, GitHub, YouTube, RSS, and a link to 'See this page in GitHub'.
